

The only official and the authorized Freight Forwarder is "**DHL Freight**". Only DHL is allowed to provide equipments like Crane, Forklift , Cherrypicker etc. at on-site.

The Official Forwarder provide follow services:

- International and local transports
- Customs brokerage / Customs clearance Services
- Unloding and loading at On-site
- Labor
- Warehousing and storage

To avoid any problems during the build-up and dismantling, exhibitors are requested to get in contact with the official Freight Forwarder on time.
